JENNIFER WHITE FAIRY TAIL PRINCESS

34263

HIGH SOCIETY 5

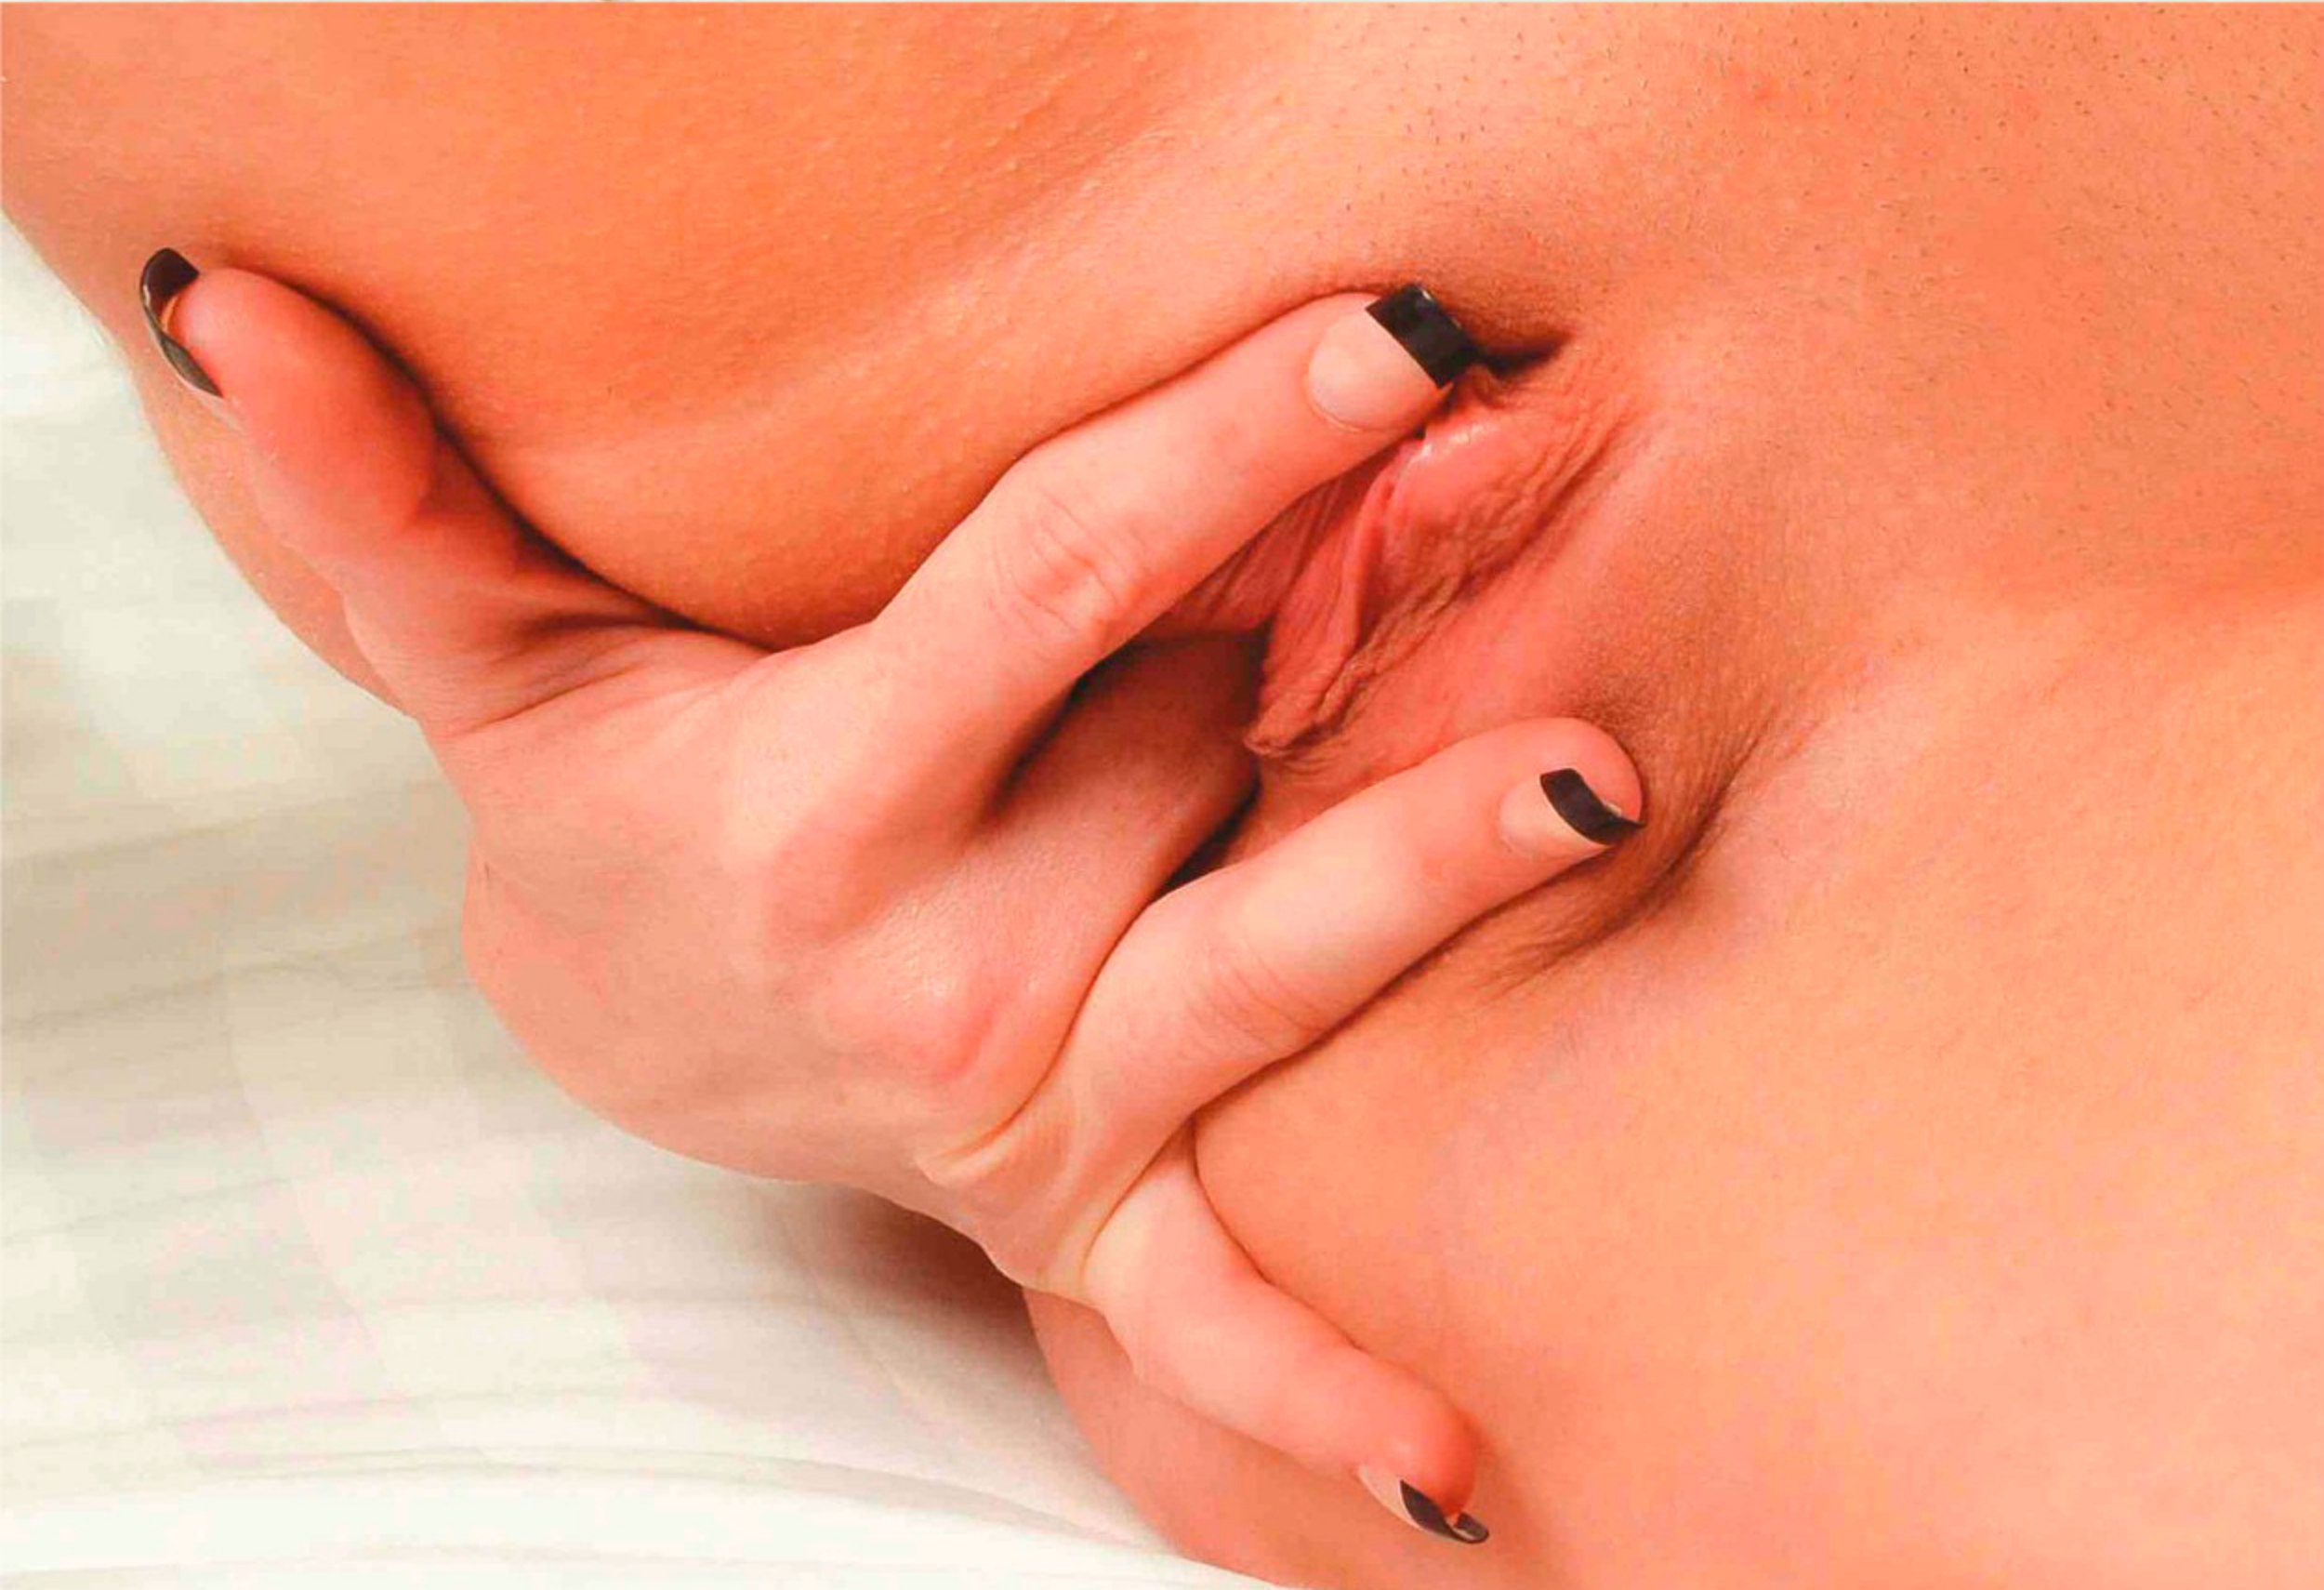

With hair the color of a raven's wing and skin as clear and silky as the petal of a daisy, Jennifer looks like a real life version of Snow White. "Ho White is more like it," she giggles, fabric whispering as she shimmies out of her crimson micro dress. "I've always wanted to get it on with a dwarf." Her fingertips dance across the perky swell of her chest, pausing to caress her rose-hued nipples until they've become as hard as two precious pearls. "Every time I think of that story I imagine they have abnormally large cocks. The dwarves. And they line up to fuck me one after the other. All seven of them." She reaches between her creamy thighs and starts to rub, arching her back as her breath quickens. "And then after I've been stretched to the limit by the giant, throbbing dong of these tiny men, they all surround me and bust their nuts at the exactly the same time, covering my entire body with milky, warm spunk." Jennifer plunges a finger deep inside her soaked slit and cums with a shuddering gasp. "And then we all live happily ever after."

ALETTA OCEAN,
BRANDY & LOGAN
**LADIES WHO
MUNCH**

34353

HIGH SOCIETY 17

The biggest concern trophy wives Aletta, Brandy and Logan have is how to keep themselves hot and horny enough so their rich husbands won't stray. While their men are away making money grow on trees, the pampered pals work on maintaining their slim waists and their strong libidos by adhering to a strict vag-eterian diet. "Sex is a great way to burn calories," pants Brandy after exchanging a wet, lingering kiss with Aletta. Logan raises her face from sucking Brandy's snatch to nod agreement. "Also, the more I fuck the more I want to be fucked. I never have a headache when my hubby wants to ball." She turns to tongue Brandy's throbbing nipples. Aletta pulls apart Logan's cheeks and drools onto her rosy pucker. "Mmmm, and if there's one thing we must avoid at all costs, it's a headache." She puts her mouth over Logan's buttock as Logan moans and fingers Brandy. Brandy kneads her own chest and sucks a sex toy, getting it all spitty and sphincter-ready. After coaxing each other to a writhing, frothing, calorie-busting climax, each dutiful little wifey rushes home to lavish some attention upon her man.

HIGH SOCIETY PRESENTS ON THE SET OF...

Summer Lovers

Photos & Article by Jeff Hubris

With an unbridled cinematic creativity and a drive to relentlessly glorify human sexuality, AVN Hall of Fame director Jim Powers has heavily influenced the history of the adult film industry. Having earned accolades aplenty throughout his storied past, rather than compromising to the stylistic trends of the moment, he has never ceased to create a unique vision

Monica and Malibu, up and down the entire coast. All the wonderful beaches and we spared no expense putting them up in five-star hotels. There was tons of drinking and much romantic conversation. We were doing everything and I became part of each romance! We would eat cotton candy and sit there and sip margaritas together! It was like *Lady and*

out there is drivel. It's a European company out of the Netherlands. Love runs rampant through the poppy fields. These are dream pairings that we make at True Love Films!"

The subdivision of artistic genres for analytic purposes is less productive than just simply taking art for what it is perceived as at any given moment

Nikki Hearts

AJ Applegate

Rose Red

Riley Reid

that stands apart from that of those less endowed. Now, as one of the most highly successful and critically acclaimed directors in the erotic romance film genre, with the release of the adventurous, romantic opus *Summer Lovers*, he continues to actualize a fresh and compelling artistic brand.

"I was watching that movie *The Summer of '42*, and *Summer Lovers* is kind of an homage to that," Powers explains. "It's just kind of talking about those old days of summer love. It's about that girl that you got together with that one summer and the romantic time you had in the late teens or early 20s. We went and shot all the way from Santa Barbara, Santa

the Tramp except we had three straws!"

Instead of haphazardly throwing together random pairings for the scene hookups as is usually done in Pornoworld USA, Powers was careful to query porn stars Nikki Hearts, AJ Applegate, Rose Red and Riley Reid as to their personal preferences in men, resulting in four deeply passionate, meaningful sexual interludes. "This isn't the typical garbage that's shot in porn valley where you just walk in and a cock goes in your mouth," Powers says sincerely. "There is so much more thought that goes into this. That's the thing about True Love films, let's face it, everything else

in time. Listening to Powers' perceptions regarding his own work nevertheless provides an infinity mirror into the mystery that is changing erotic cinema forever. "It's more just like we're hippie porn," he says. "We're doing porno like it's the Summer of Love all over again...but without the acid. Well, sometimes I do like to drop a little acid and Ecstasy to enhance the romantic experience on the set, and generally all of the talent does it too. It really does bring out the true love, and that's what True Love Films is really all about! It's just much more enlightening, touchy-feely, old-style, summer of love hippie porno. It's like *Love American Style!*...but with no humor whatsoever!"

34349

Nikki Hearts

JIM POWERS: "Nikki Hearts is an actual surfer. She wanted to do something romantic—surfing. Nikki is a lesbian so she came to me and she had had some terrible boy/girl scenes. Knowing that I'm the New Master of Romance, the undisputed king right now really, she wanted to make something really romantic. She said, 'I want to do it with condoms so I don't get pregnant because I'm a lesbian and I don't want my lesbian girlfriend dyke to beat me up!' Being a surfer she wanted to have Van Wylde, who is also a surfer, so I shot them on the beach surfing together and then I took them back up to a beautiful spot in Malibu where they made sweet love. I had a fog machine and little billowing romantic pillows and hanging drapes. We fully dressed the set and I really, really gave her her fantasy!"

AJ Applegate

JIM POWERS: "I asked AJ Applegate what type of guy she wanted and she wanted a really sexy Italian guy, so we found Giovanni Francesco. We did the scene up in the hills in Malibu and the place we shot at had like 100 acres of vineyards. I shot them in the kitchen having wine, cheese and pasta because he's Italian and they made love right in the kitchen. It's just those wonderful memories that you have of that wonderful summer when you first got out of high school...or in the early days of college."

Rose Red

JIM POWERS: "Rose Red is actually a college student from Florida and she's doing porn in between classes. Just like most girls, she's looking for love. Rose is seamless and she just wanted me to find her the sexiest beach type of guy I could find, like a college guy. So I paired her with Tyler Nixon. It's a perfect pairing. I took them to the Santa Monica pier and on the ferris wheel and all the rides and got them cotton candy. We were running around having a blast filming and dancing around underneath the piers and everything. I didn't want to put them in the water because there were great whites swimming around that week. It wouldn't have been as sexy if she had a bite out of her ass. Luckily that didn't happen. We took them to this huge estate up in Brentwood where they made more sweet love."

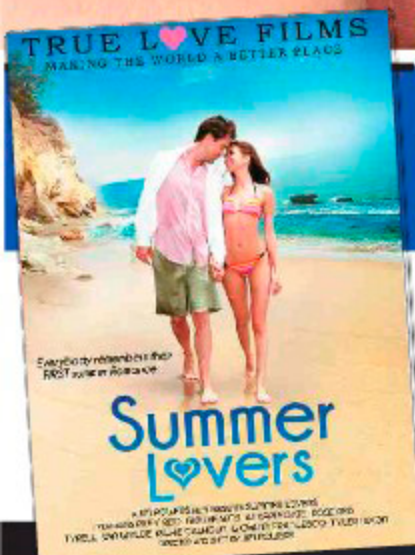

To view the SUMMER LOVERS trailer on your smartphone, scan the code using a QR code reader.

Riley Reid

JIM POWERS: "Riley Reid is a little bit more about what goes on in the mind and everything and wanted a writer type of guy or an artist. Richie Calhoun is very much the troubled artist in porno and he played that part. *Dr. Zhivago* is probably the closest thing you could compare this scene to. We do the whole thing of them running around this wonderful beach up in Santa Barbara. We walked around State Street and bought them lunch and everything. I really wanted to get them in the mood. It was like foreplay...in each instance, to bring out these intoxicating performances that we had for this movie."

ZOEY MONROE

THE HIGH SOCIETY INTERVIEW

Q&A by Rob Perez

PORN VALLEY, CA—ZOEY MONROE IS ONE OF THOSE GIRLS WHO COULD HAVE SHINED IN PORN'S GOLDEN ERA. SHE'S A HARDCORE PERFORMER WHO'S BEST KNOWN FOR HER FEATURE WORK BUT CAN EASILY SEND THRILLS TO HER FANS WHEN SHE'S GETTING SLAMMED HARD IN BOTH HOLES IN A DOUBLE PENETRATION GONZO SCENE. ZOEY'S EASILY MISTAKEN FOR A CALIFORNIA GIRL BUT THE DETROIT-BORN BEAUTY HAS QUICKLY RISEN TO THE TOP OF THE PORN WORLD AS ONE OF THE BEST PERFORMERS IN A VARIETY OF GENRES. FROM COUPLES-FRIENDLY RELEASES TO FETISH SCENES, ZOEY MONROE IS A TRULY MULTI-TALENTED STARLET.

HIGH SOCIETY: *One of your latest scenes was in Wet Asses 4 for Jules Jordan Video, directed by William H. Was that a fun scene?*

ZOEY MONROE: That was such a great day for me. I had two really, really great talents and I really loved the oil. That was my first oil scene. William H. is a really cool dude. I really like him. He has the same love for The Beatles.

Who were the guys you worked with?

I worked with James Deen and Ramon Nomar. They are two real professionals and talented. I love it when I work with professional guys who know what they're doing and we have a great time.

Do you like DPs, the hardcore sex stuff?

I do. I do have a really great time with hardcore. My middle name is versatility so I really love doing all types of scenes. But hardcore I'd have to say is definitely my favorite. I've been dabbling more into romance features. I'll tell you what I really love...I really love to act so I love scenes where I have a lot of acting to do. Those are definitely, definitely my favorites.

Speaking of acting, I loved your performance in Bittersweet last year.

I felt you deserved Best Actress for that role.

Thank you so much. I was so excited when I was nominated for best actress by XBiz. I was so excited to get that nomination. It was a bit of a challenge for me because I'm a very happy person. I kind of had to be that girl with a stick up her ass the whole time. It was a challenge. [Laughs]

What's more your niche, the hardcore porn or the feature side of porn?

Features, that is my favorite thing to do. I'm also branching out into mainstream and that's my favorite—to go through the lines with the other actors and try to make it good. I love it when it's not me who messes up and we have to re-do the scenes. Acting is one of my favorite hobbies. But I do love gonzo.

So you are branching out into mainstream acting?

Yes. I also make music. Right now I'm working on some stuff for different genres. It's a bit of a challenge for me but I love it a lot. I do very much enjoy rapping. It sounds a little bizarre but I am a white girl from Detroit.

What projects, porn-wise, are you working on at the moment?

At the moment, porn-wise, I'm working on my first Wicked feature and I have a big role in that. I'm very excited about that. I've been wanting to work for Wicked since I started and I finally get the chance. The movie is called *When It Comes To You* for Wicked Passions, directed by Stormy Daniels. I am so excited for this. It's going to be a big deal for me. I would love to promote this more than anything. I have a major role in it and I'm super excited to give my all and do my best. I appreciate Wicked for using condoms and I'm really excited to work with them.

Perhaps there will be another award nomination in it for you?

Oh yes. That is my goal. I'd also like to mention for Jules Jordan I did one interracial scene a very long time ago. It didn't go well and I was very disappointed by it. That was a terrible day for me. I just shot what should have been my first IR scene for Jules Jordan with Prince Yahshua, and that will be coming out soon. I'm very excited for that too. This should be my first IR scene but it's my second.

ALL PHOTOS COURTESY OF EVIL ANGEL VIDEO, JULES JORDAN VIDEO & MILE HIGH MEDIA

34364

It was very well done and a very great scene.

Do you know the name of the film that IR scene will be in?

No, I do not. I'm not very good with knowing what movies I'm in when I'm on set. I'm just always excited to be there. [Laughs]

Sounds like you're excited right now.

This has been my greatest month in the porn industry. I'm so thankful for it.

Has the industry been everything you expected it to be? Overall, has it been great to you?

It has, it really has. The industry has been great to me. I love getting on set, everybody is excited that I'm there and I'm excited to be there. And we just have a great day. I can't remember the last time I didn't have a super great time on set. I'm very grateful that I've found an industry that supports me.

Then you get to have wonderful sex, that's the greatest day ever.

When did you realize your calling to be a pornstar?

This is a funny story. Back in middle school we had to write a paper about what we wanted to be when we grow up. I thought I couldn't write about wanting to be a pornstar. [Laughs] And now look at me. [Laughs] I love it. I really did like porn a lot. It sounds awful because I was way too young to be watching it. I think I always knew that porn would help me out a lot in life. If it wasn't for porn I wouldn't have ever been able to move out of Detroit.

What's the best and worst thing about being a pornstar?

The best, I would have to say, I really enjoy getting to set doing the hair and makeup, wardrobe and the pretty girl stills. You just feel so special. Then you get to have wonderful sex, that's the greatest day ever. If someone says that's not the greatest day ever than they're lying. The worst I would definitely have to say is being recognized in public. That really gets to me. Once in a while it's a positive experience being recognized, but other times it's creepy. It makes me think I need a bodyguard sometimes. I hope that everybody stays safe, always.

How did you come up with your porn name Zoey Monroe? It's cute...how did you come up with it?

It's definitely a very cute name. It was my pet's name and the street name that I lived on growing up. I also very much love Marilyn Monroe so I thought that was a winner.

Would you say you're a very dominant or submissive person?

In my personal life I'm a very dominant person but in my sex life I do like to be submissive. I am interested in working on some dominatrix stuff in the future.

Like working for Kink.com?

THE FUCK FACTS

Birthday: June 11, 1991

Birthplace: Detroit, MI

Height: 5'3"

Weight: 120 pounds

Measurements: 34B-32-34

Notable Movies: *Wet Asses 4* (Jules Jordan), *Bitter Sweet* (Smash Pictures), *LeWood Anal* (Hazing Crew 4 (Evil Angel), *Too Big For Teens 15* (Reality Kings), *Lesbian Adventures: Wet Panties* (Trib 6 (Sweetheart Video))

I honestly have never had anal sex in my personal life. But I love it, love it, love it so much on set.

I do love working for Kink.com. I've been up there more than a few times.

What would you say are your best and worst physical features?

I honestly think my pussy and my feet are my best features. My worst would have to be my flat little Miley Cyrus booty. [Laughs] I'm trying, I'm trying. I'm working on it right now.

Speaking of your booty, is anal something you do often in your personal life?

I honestly have never had anal sex in my personal life. But I love it, love it, love it so much on set. I'm just afraid to have someone do it who isn't a professional do that to me. [Laughs] I love it so, so much on set but I don't really trust people enough to do that in my personal life.

You mentioned you started watching porn early in life. Do you still watch porn today?
I do. I'm almost embarrassed to say this but my favorite type of porn is cartoons. [Laughs] I love it so much but it has to be the cartoons that I'm familiar with that I watched. That is just so foreign and exotic to me. I love it, and anime.

So you masturbate to that then?
I do.

How often do you masturbate and what else besides animation porn do you think about when you masturbate?

Every day and I think about my little fantasies, my little crushes that I get from time to time. At least once a day?

Do you use a sex toy?
I love my Hitachi?

What sexual fantasies have come true since you entered porn?

DPs. Ever since I was young that was my biggest fantasy. I've made that come true time and time again. I'm a little DP princess. [Laughs]

Would you recommend that civilian women try DP at least once in their lifetime?

Oh yes! At least if they're doing it by themselves with toys or with their man and another toy, yes, definitely!

Can you describe one of the hottest sex scenes you've ever been involved in?

There have been way too many, honestly. I've been really lucky to do some amazing scenes. Recently, I would have to say...hmm, it's hard for me to pick one.

Do you like being naked?

I do. Whenever I'm home I never, ever have clothes on. There are a select few friends...I never wear clothes when they're over. [Laughs]

What's it like to have a job you get to be naked at work?

It's really great. I honestly wish that mankind had never created clothes.

Would you rather win an award for your acting or for your sexual performance?

Oh man, that is such a hard one. I would be so honored to win one either way. I've been doing some of my best work I believe this year, and I really hope that I'm nominated for a lot of my best work. I do definitely want to win.

Which films are you most proud of?

I am very surprised that *Babysit My Ass* was not nominated. Joey Silvera directed it. I was very proud of myself in that one.

Is there a superpower you wish you had?

I want to save the world. The world is so corrupt and I wish I could make people see the world as I see everything.

What's one male and female celebrity you'd most like to have sex with?

Brad and Angelina. That would be the most awesome threesome ever to be had in mankind. [Laughs]

What would you like to say in closing to the HIGH SOCIETY readers.

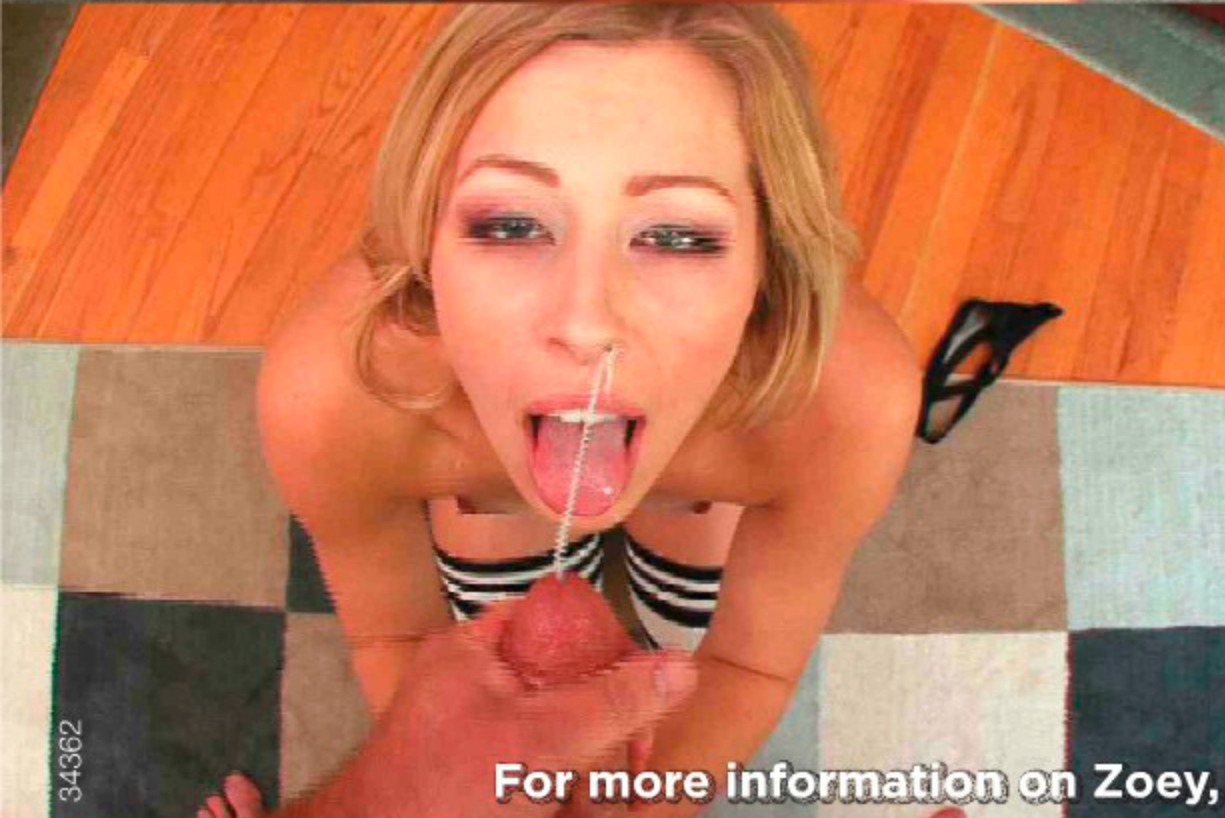

I love and cherish all of my fans.

BONNIE ROTTEN

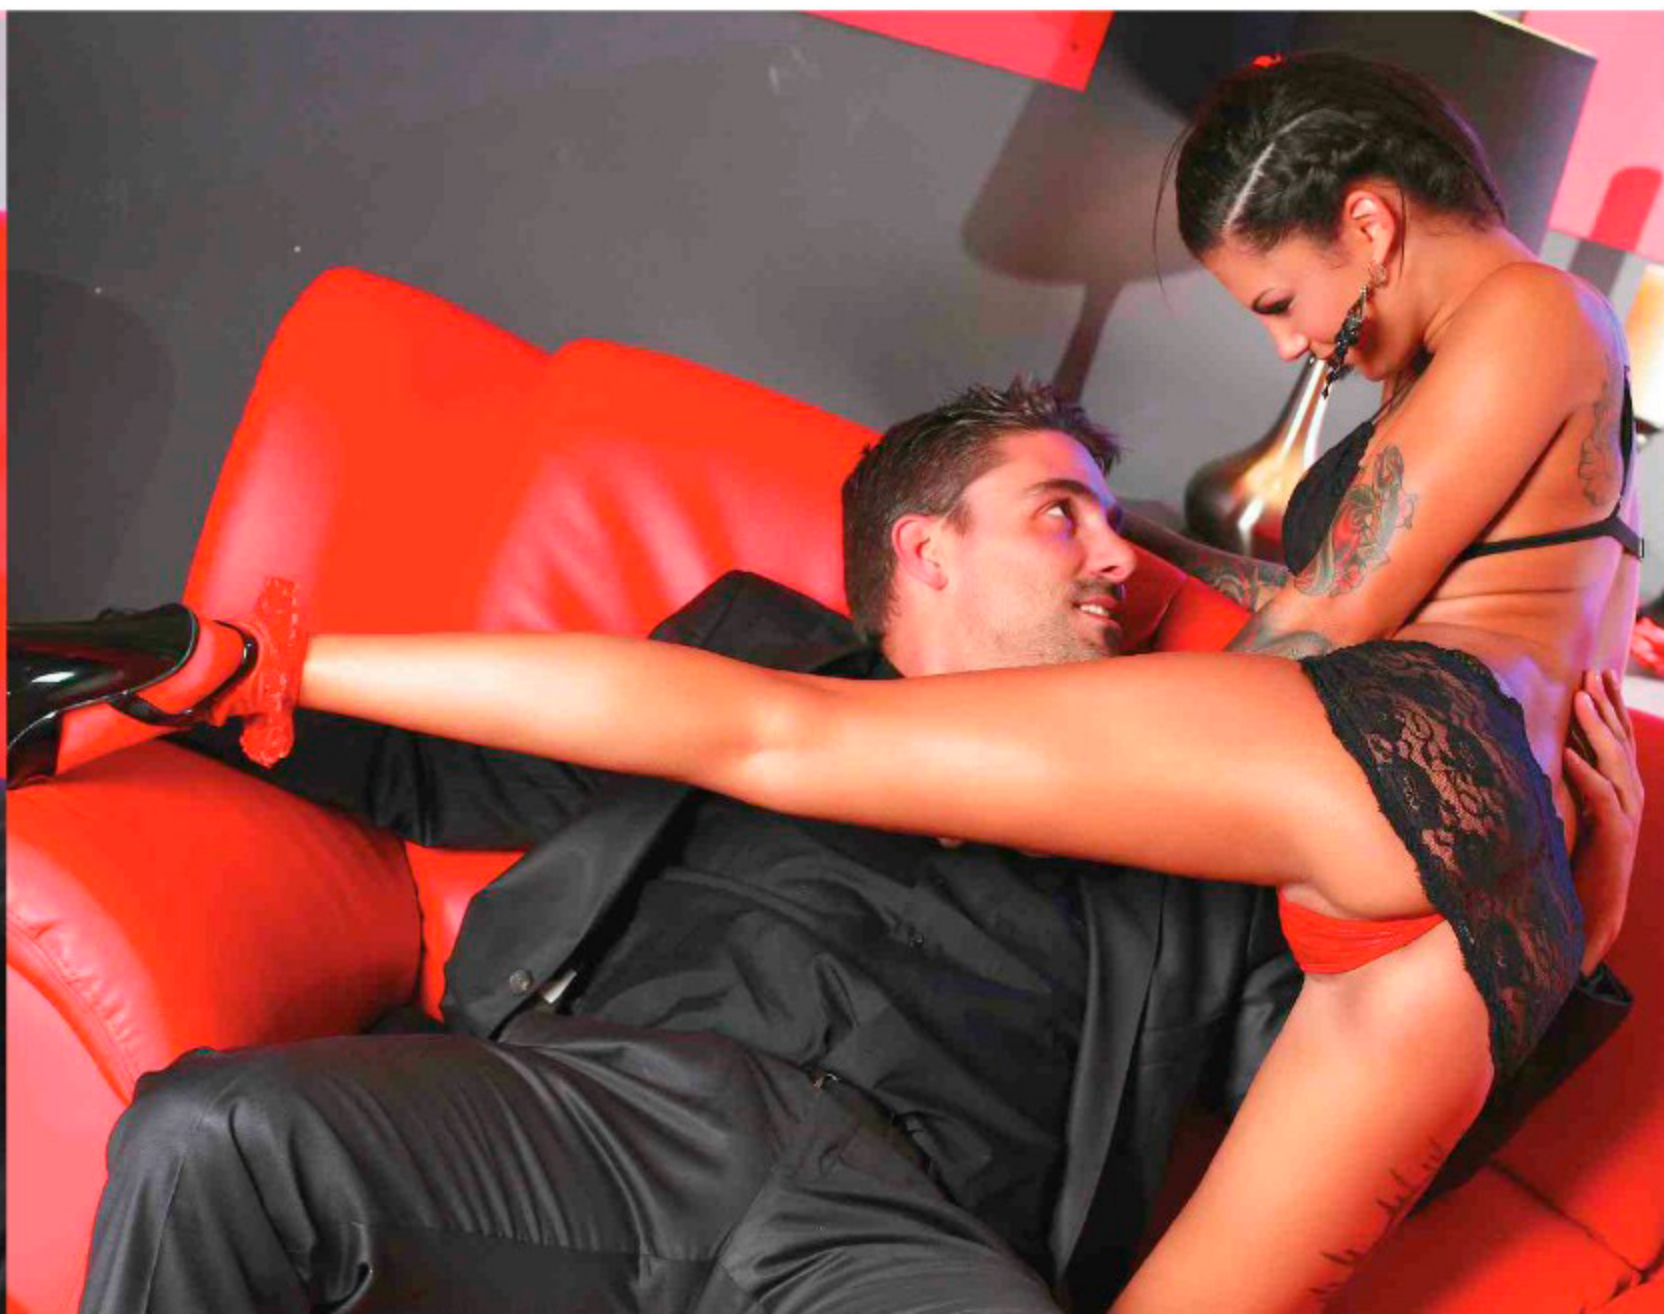

**THE STRIPPER
EXPERIENCE**

Bonnie Rotten is an absolute sexual porn animal. Her rise to fame took off quickly after entering the industry two short years ago at age 19. Then she ran off with two 2014 AVN awards for “Best Female Performer” up against a very formidable lineup of pornstar extravagance, any one of whom could have earned the mantle with fairness, and a shared AVN for “Best Group Sex Scene.” A combination of looks and personality, along with a burning desire to push all limits, attracted attention from the beginning and turned into an explosion of notoriety upon her signing with porn super-agent Mark Spiegler in early 2013.

One of her most prominent features in addition to an extremely tight physique is the preponderance of ink upon her pristine, 21-year-old epidermis. Frank Sinatra’s face appears on her left leg. “Dead Girls Don’t Cry” is written in large script across her stomach. “The promise of a better future” is scrawled amid some other designs on her right arm. “I tattooed myself first at like 13,” she explains, “But I got that all covered up at like 15.” That was just the first round. She started stripping and found work at car shows, bike shows and horror conventions. “I’ve always had like a crazy sex life,” she continues. “I lost my virginity early and I’ve done gangbangs and multiples and stuff like that before porn even. It’s fun! It’s been kind of crazy!”

Having executed the porn learning curve most girls complete like two years into the industry by the end of high school, and with a taste for BDSM, it was just a matter of plugging herself into situations and flipping the switch, rather than wondering if she could hack it. Of course she proved she could hack it all, and more. "Bonnie Rotten is one hell of a fucking performer," says Spizoo director Ralph Long. "She always brings her 'A-game' to the scene, is really down to earth and loves to squirt!" She's playing a stripper and will work over, and be worked over, by incendiary Spanish superstud Toni Ribas. "For our website, TheStripperExperience.com we wanted to mimic what the true fantasy of a strip club would be for a man," Ralph explains. "Every man's fantasy is to fuck the stripper so we wanted to portray that on film. The girl does a strip tease, then she grinds up on the dude and she takes him into the VIP room and does the nasty!"

SPIZOO
BABE OF THE MONTH

The scene plan is flashy and to the point. "She strips for about 5 minutes," Long says. "Then Toni comes into the club, watches her dance and she's attracted to him. Then they are gonna fuck like monkeys!" Bonnie has stripper chops aplenty from starting out as a dancer in Ohio. No problem there. After the set-up, it's an extremely high velocity fuck executed by two overwhelming porn performers full on. All killer no filler straight through. Bonnie Rotten talks about her entre into the L.A. fetish scene, a serendipitous plot point in her life that spun her off to several next levels. I went to a party when I came to L.A. where a chick was suspended all bound in plastic wrap and they were giving her forced orgasms with a Hitachi," she recalls. "I was like, *This is awesome! This is something I want to be involved in!*"

Unless you are a hater on excellent looking, sexually twisted 21-year-olds with tattoos, Bonnie Rotten leaves no critical wiggle room regarding her capacity and penchant for extreme sexual performance, that includes the aforementioned Cytherea-like ability to squirt volumes of female ejaculate around porn sets. "Her and Tony Ribas gave an excellent performance!" raves Ralph. "She squirted like 10 times too. There are only good things to say about Bonnie Rotten!" At this early point in her career she seems unstoppable, especially considering that she has the fetish world already mastered to such an auspicious level, in addition to everything else. "I like really rough sex and anal sex and I like being choked and spanked," she admits with relentless positivity. "I love porn with little girls having big things inside of them. I think it's so hot so I like to cram big things inside of me too and I can take a lot of size. I use butt plugs and stuff. Also I just love DPs! I love it and they feel great! It's awesome! I can cum very easily. I have a perverted mind!"

ALL ANAL ALL THE TIME!!!

Milk does a body good, but man milk does a body even better, especially a double shot of it. This is no secret to Kira Queen—she didn't show up for a workout sans sports bra by accident. "The gym is my favorite place to pick up guys," Kira confides as she raises a set of dumbbells high over her head. Like magic, Choky and Sabby appear and offer to spot her. "Sometimes it's just too easy," she sighs, lifting her tank top to reveal her mammoth jugs in all their juicy glory. Then men drop to their knees and start suckling away while Kira laughs and unpacks their peckers. "Ready to give 110%, boys?" Moments later the two are pumping away on either end of her while she climbs the sticky stairmaster to heaven. She eases the meat out of her mouth to gasp, "Stretch my asshole. Now." As the stud obliges, she cums, her cunny and caboose muscles clenching tight around the two stiffies stuffed inside her. Both woodsmen withdraw in time to splash Kira with salty protein shakes. "Whew," she says, licking the jizz from her lips. "What a workout!"

GANGBANGME

AJAPPLEGATE

Q&A by
Rob Perez

One of the most anticipated films of 2014 is the Hard X debut of its first gangbang title *Gangbang Me*, helmed by one of the industry's leading directors Mason. No stranger to shooting gangbangs, Mason raises the bar by featuring two explosive scenes with two of the hottest performers today, AJ Applegate and Adriana Chechik. With these two performers, their love of rough sex, their star power and Mason behind the camera, *Gangbang Me* is indisputably the best gangbang film of 2014.

What makes it the best is the sexual energy and enthusiasm both ladies put forth in making *Gangbang Me* sizzling. AJ and Adriana are no strangers to hardcore but we've never seen these ladies totally go this extreme. In an exclusive interview with *High Society*, AJ Applegate tells us that this was definitely one of the highlights of her career. "Getting gangbanged has always been one of my biggest fantasies. When Mason approached

me about shooting one for her new Hard X gangbang line, I couldn't help but say yes! We also came up with the idea to use my dance background for the tease. Mason wanted this to be all about me, and show everyone who AJ really is. With the way that my career is going, I knew that it was the right time to shoot my first gangbang."

Admitting that as a civilian AJ would fantasize about the idea of getting gangbanged, AJ says that Mason would have to be the one to film her in a gangbang, knowing that Mason would be the one to fully capture the over the top dirty, nasty way AJ would want her

"I didn't even know there was such thing [double vag/double anal] until I got into the industry,"

gangbang to go down, and for AJ to get her ultimate sexual pleasure. "I love how she makes you feel slutty, powerful, and beautiful all at the same time." As for her ultimate sexual pleasure, it's fair to say she received that as well by performing double vag and double anal for the first time on film. Describing it as the most intense part about her gangbang, in the scene AJ nicely performed these two acts with ease. "The most intense part by far, had to be the double vag & double anal. I really didn't think it was even going to be possible for me. Once I realized that I had two cocks in my pussy and ass I went crazy. It was the most amazing feeling I have ever felt in my life.

"I didn't even know there was such thing [double vag/double anal] until I got into the industry," says AJ. "So I don't think it's something I would have fantasized about or tried to pursue. Now that I know what it is and how amazing it feels, I would love to do it again for a DP scene."

Although the act appeared spontaneous AJ and Mason did discuss the double vag/double anal beforehand. While it seems that AJ had some reservations about performing double vag/double anal, AJ went ahead and gave it a try and was pleasantly surprised by the outcome. "Once it started happening it went so smooth and easy. I couldn't even believe it was happening. I still can't believe it happened. [Laughs]"

"The double anal couldn't have went more perfect. We even tried to do triple penetration after the double anal. That didn't work because we didn't have a guy with a long enough cock to be the anchor. I'd definitely like to try triple penetration again if I have the right guys."

Wanting to challenge herself even more AJ can't wait for her next gangbang with even more guys next time. But *Gangbang Me* goes down for AJ as an amazing experience. "I seriously couldn't have asked for a better first gangbang." She also doesn't have to worry about her wish for leaving her fans speechless after watching her gangbang since there are no words to describe how amazing she was and the perfect choice to be the boxcover babe. With her first gangbang under her belt, AJ definitely becomes one of porn's filthiest girls around, a title AJ takes as a compliment. "I'm doing these scenes because I truly love sex and want to fulfill all my fantasies. I just want everyone to love my scenes and feel that I'm really enjoying myself."

Of course we can't end this without giving massive props to Adriana Chechik who will also leave her fans speechless, putting in a performance for the ages. While AJ tried, Adriana accomplished the super rare triple anal feat with explosive results. AJ may be the covergirl for *Gangbang Me* but Adriana was most definitely the grand, epic event of the film, and why shouldn't she be. Triple anal, triple penetration . . . even those of us who watch porn all the time rarely see this feat accomplish. In Adriana's scene she is without a doubt enjoying herself, going hog wild taking cocks up her ass and in her pussy. All the credit in the world should go to Adriana for pushing herself to the limit and maybe some award nominations as Adriana delivers one of the dirtiest, nastiest scenes of the year. By scene's end, Adriana's face is covered in hot jizz and gets a big round of applause from the guys. When you check out this scene you'll also be covered in your own jizz and want to give Adriana a round of applause.

MASTERS OF SEX: CABLE TV'S SEXIEST SHOW!

BY RAMSEY STEELE

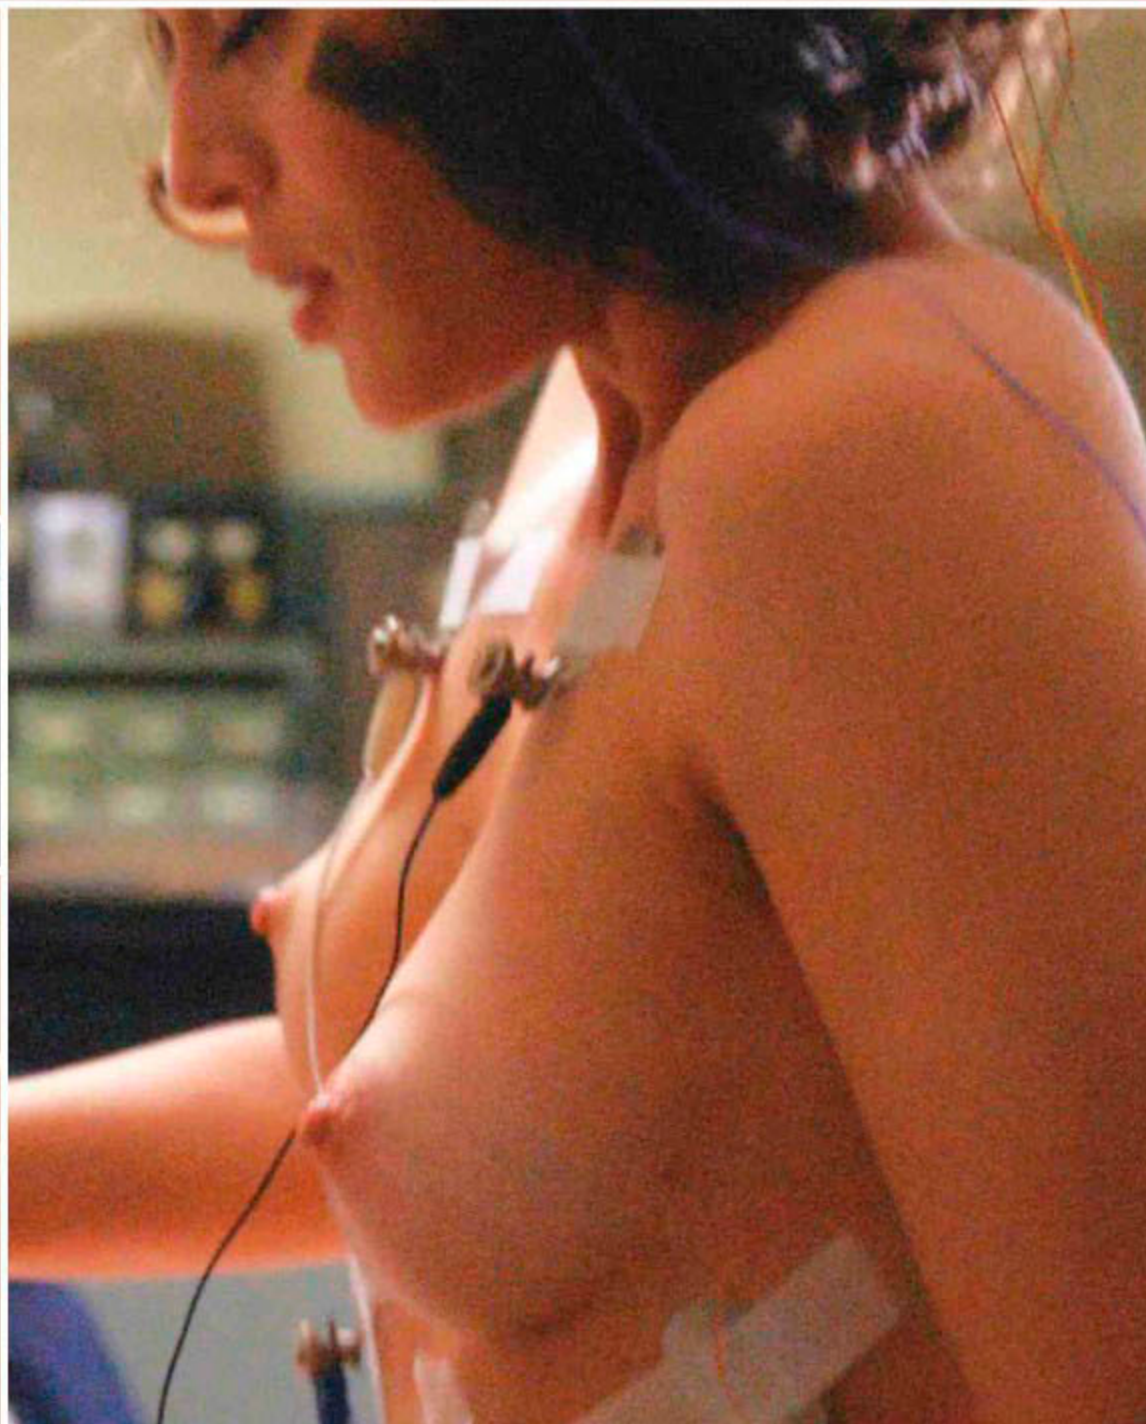

In the tradition of Weeds, Californication, Shameless and The L Word, Showtime continues to unleash some of the sexiest original programming we've ever seen on the boob tube. The latest offering from the premium cable station is no exception—indeed, it may be their steamiest series yet! We could only be talking about Masters of Sex, which stars Michael Sheen and Lizzy Kaplan as pioneering sexuality researchers Masters and Johnson!

The oh-so-pleasing period drama is set in the late 1950s, when Dr. William Masters (Sheen) and his future wife Virginia Johnson (Kaplan) began their landmark research into the nature of human sexual response and the diagnosis and treatment of sexual dysfunction. Masters and Johnson conducted their renowned research at St. Louis's Washington University—and these two grown-ups probably saw more action than any student on campus!

Currently airing its second season, which premiered this past July, Masters of Sex has already been renewed for a third cycle. We're not surprised, as the show is filled with smart performances, deft direction and impeccable period décor. Oh, and it also offers a tantalizing trio of actresses who demand to be seen—in all their naked glory! So enough of this research—here they are!

LIZZY KAPLAN VIRGINIA JOHNSON

Smart, forthright, resourceful, and sexually uninhibited, Virginia Johnson is a divorcee seeking a meaningful career who lands a plum job as the assistant-turned-research associate of the repressed and socially awkward Dr. Masters (Michael Sheen). It shouldn't come as a surprise that she and Masters worked so closely on his study of human sexual response that they inevitably became willing participants in it!

ROSE McIVER
VIVIAN SCULLY

Vivian is the daughter of the closeted gay Provost of Washington University, who also happens to be William Masters longtime friend and mentor. Based on those all-too-adult relationships, it ain't all that shocking to see vivacious Viv experience one helluva sexual awakening over the course of the first season!

HELÈNE YORKE
JANE MARTIN

One of the earliest volunteers recruited by Masters and Johnson to participate in their sex study, juicy Jane Martin initially appears to be a quiet, prim hospital secretary. But within time, this plucky platinum blonde making her own way in the modern world lets it be known that she's game to learn and game for the adventure!

INSIDE SEKA

Article by Ramsey Steele

34366

In this month's installment of "Fucking Classixxx," High Society's monthly appreciation of a classic title culled from adult supplier DistribPix's vault of films from porn's Golden Age, we take a lusty, leering look at 1980's *Inside Seka*, starring that blonde-tressed, big-breasted queen of an endless stream of pornographic fantasies, Seka!

The titular queen of the porn ideal—with her striking figure and platinum locks, she's frequently dubbed "The Marilyn Monroe of Porn"—Seka was born Dorothea Hundley in Radford, Virginia. Enthusiastically entering the world of adult cinema on her own accord in the mid-Seventies, Seka (she reportedly adopted her screen name from a Serbo-Croatian term of endearment for a little girl, similar to "little sweetheart," though there's another origin story claiming she adopted it after a female blackjack dealer she knew in Vegas) is credited with performing in nearly 200 adult titles, though the actual number of original film appear-

ances is closer to 100, with the rest being endlessly recycled by distributors. Of these films, *Inside Seka* is arguably the finest—and hottest!

With direction credited to Seka's then-husband Ken Yontz and Seka herself (with an uncredited assist by highly regarded porn auteur Joe Sarno), *Inside Seka* is billed as an expose of Seka's real sex life—an all-out celebration of Seka's storied sexual prowess. A collection of scenes are presented within a wrap-around of a post-coital Ken and Seka engaging in some deliciously dirty talk as the two recall Seka's most sizzling sexual encounters. Steaming up the screen in a series of scenes that includes all manner of sexual congress—girl-on-guy, girl-on-girl, orgies, and three-ways, not to mention some solo play and even a dash of phone sex—*Inside Seka* truly delivers, led by its lusty leading lady, who appears to be all-too-eager to present her steaming sexuality to an equally eager public.

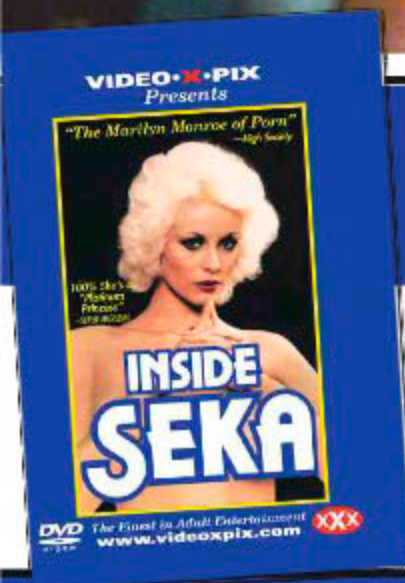

Looking inside *Inside Seka* quickly reveals why the film remains a carnal cornerstone of the adult industry of yesteryear—a cumshot-filled (eight of 'em, by our count!) orgy scene set at Plato's Retreat, New York City's legendary members-only

swingers club; a centerpiece sequence wherein Ron "The Hedgehog" Jeremy famously blows himself for the very first time on-camera; and a titfucking episode between Seka and a very lucky Ron Hudd that connoisseurs consider to be the greatest ever committed to film.

But the heat all emanates from the spark that is Seka, porn royalty of an era long gone who abdicated her throne in the mid-1990s to enjoy the kind of traditional life that Virginia's Dottie Hundley would have pursued had she not made her way into an industry that crowned her "The Platinum Princess."

Today, Seka remains proud of her adult industry reign, as she enthusiastically states in her 2013 book *Inside Seka: The Platinum Princess of Porn*, and she remains a part of the adult community via her website Seka.com. And Seka says, not surprisingly, that she still receives a steady stream of adoring letters from her many fans.

"The only difference now, is that it's email," Seka laughed in a recent interview. "I'd say most men who contact me pretty much all want the same thing...THEY WANNA DO ME!"

HAYDEN HAWKENS
HOMECUMMING QUEEN

Ever wonder what happened to the hottest girl in school? That popular girl who smelled like vanilla and seemed to float down the hallways. The one who had to quit the cheerleading squad because every time she did the splits the home quarterback would fumble. The one who seemed untouchable. "My god, I used to be such a tease in high school," Hayden says, rolling her eyes. "Everyone wanted me—even my science teacher. But I didn't go all the way until I was almost 20." She leans back and pulls her top over her head, the peachy skin of her areoles puckering as her nipples become as hard as pebbles in a shaft of sunlight. She caresses one small breast and shivers with pleasure. Pressing a hand against her crotch and grinding against it, Hayden coils her lithe body into different positions. "If only I had known then what I know now," she gasps, gently pinching her swollen clit. "How much I fucking love sex, how great it feels to get off." In a frenzy she starts to paw at herself with both hands, sinking fingers into her moist slit and pulling them out glistening with dew. "I wouldn't have been such a prude for so long." She enjoys a long, thunderous orgasm, groaning as she rocks back and forth. Then she pushes strands of sweaty hair out of her face and smiles. "And I probably would have passed science."

A full-page photograph of a blonde woman with long hair, posing provocatively. She is topless, with her hands positioned near her breasts. Her mouth is wide open in an 'O' shape, and she is looking directly at the camera. The background is a simple, brightly lit indoor space with a window frame visible.
